Annual Wild Bird Seed Sale • January 7th - 17th

Our Grandma, Ellora Hinton, loved to feed and watch the birds - because of this we have mixed our own wild bird seed for decades. Our mix is formulated for birds that reside in our region this time of year. Natural seed sources are less plentiful this time of year. Studies show that you can help provide songbirds with a nutritional boost by supplementing their diet with a fresh, high quality wild bird seed mix. Made fresh locally and we'll carry it to your vehicle for you.

SAVE \$2.00 PER BAG during our Annual Wild Bird Seed Sale!

Lowest price around on propane refills...

We partner with our friends at Arrick's Propane to make refilling your propane tank convenient, easy, and generally cheaper than exchanging cylinders! Our refill stations have trained attendants to help you fill up your tank and get you back on the road quickly. Bring us your camper, RV or other tanks to fill. You only pay for the exact propane we put in your tank.

We have empty cylinders for sale in various sizes.

as low as
\$3.00 per gal
w/ purchase of
20 gallons or more.

Ask us about
the best tub
option for
your herd!

Four reasons to feed tubs this winter:

1. Convenience
2. Extend and better utilize your hay
3. Provide additional winter energy
4. Cost effective

If hay quality is poor, weight loss can be rapid - be prepared to respond quickly if you see signs of weight loss.

Are you ready for winter?

Cold weather is here! In addition to feed for livestock and pets, we carry the winter items you need for work and for play: automatic livestock waterers, water fountain parts, shut off valves & fittings, stock tank deicers, ice melting salt, straw, propane, wood pellets, winter clothing, gloves, hoodies, toboggans, snow sleds, and much more.

Supply varies by location. Come see us.

A Look Back at What the Hinton Mills Team Did in December 2025

f See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

Our Old Time Christmas Event was such a special day. Over 200 folks stopped by to make an ornament, write a letter to Santa, enjoy a cookie and visit with the jolly fellow himself. They also shopped for our commemorative ornaments, old-time handmade toys and picked up a bag of our famous reindeer feed.

Our team gathered together for our annual Christmas Dinner. We enjoyed a lookback from the year, had supper and bowled a few rounds.

3rd graders from Hillsboro Elementary School visited our Frank Hinton & Son location for a tour and information about careers in agriculture.

Raising Arrows Homeschool Co-Op visited May's Lick Mill for a hands-on experience in making a batch of our famous reindeer feed.

With your help, we were able to raise \$1,000 to donate to Cancer Care Club of Flemingsburg during No Shave November.

Cynthiana team member, Seaanna Skinner, graduated from Morehead State University recently with a degree in Agronomy.

With the sales of our 2025 Commemorative Ornaments & Old Time Handmade Toys, we were able to donate \$5,000 to Shop with a Cop.

Team members decorated trucks from multiple locations and participated in the Fleming County Christmas parade.

Team member Doug Reeves had the privilege of celebrating Christmas with his lunch bunch group from Hillsboro Elementary School.

Santa was caught bagging reindeer feed at Plummers Landing & the Grinch was caught trying to steal the Christmas tree from Jabotown Mill.

🎄 **Congratulations to Hinton Mills Mt. Sterling for winning our annual location Christmas Tree Contest!** 🎄

Harrison County Beef Cattle Association Meeting

Thursday, January 29th @ 12:00pm

Join us for a meal and meeting!
