## A Look Back at What the Hinton Mills Team Did in November 2025

See more pictures of what the Hinton Mills team did this past month on Facebook

**FAITH • FAMILY • FRIENDS • FARMING**

We held our first Barn Quilt Paint Party event and it was spectacular! So much so that it was a **SOLD OUT** event. Team members, their families, customers, old friends and new friends gathered for a day of fun, fellowship, food & creativity. We're excited to do this again next year!

We supported the local 4-H Country Ham Auctions both in Fleming & Mason counties. There were over 70 youth that participated in country ham projects this year between the two counties. Thanks to our local 4-H Agents for all the work they put into these projects.

No Shave November apparel sales were fantastic, if not the best they have ever been! Thanks to each of you that purchased a t-shirt, hoodie, hat or simply made a donation. Stayed tuned to our social media for the final updates on this 5<sup>th</sup> Annual event.

Gage Hord, team member at our Frank Hinton & Son location, reminded us that cattle can have "fun by the ton, son" with Hinton Mills Blue Ribbon feed. If you missed this post on our Facebook page, then you missed out, brother! Do yourself a favor and go look it up.

A NEW POULTRY PRODUCT was released this month. Triple Trust Tubs is now producing Peckin' Party Flock Blocks and they have been a huge hit! Don't believe us? Just ask team member, Gary McCord. He can't keep the chickens away.

Adam Hinton participated in the 2025 Barnyard Theater Program hosted by the Buffalo Trace Cooperative Extension Service Offices. The program focused on farmer wellness with health screenings, vision checks, information booths, dinner and a show.

**Congratulations** to Justin Polley & his daughter **Aleah**, who is 14, and killed her first deer this season! Justin & Aleah used **Antler Builder's** line of food plots mixes, minerals, and feed!

The **Antler Builder** product line is a complete line of nutrition-focused deer feed, plot seed, mineral, tubs, blocks, and attractants designed to help hunters develop trophy-quality bucks and for others who simply enjoy watching the deer they care for grow.

**If you didn't already know, WE ARE your local Antler Builder dealer!**

### Christmas Parades

**December 5th** - Maysville & Morehead

**December 6th** - Cynthiana, Mt. Sterling & Carlisle

**December 12th** - Flemingsburg

### Holiday Hoopla
