Hinton Mills Now Manufacturing Poured Tubs

The Hinton family has partnered on a tub manufacturing facility here in the region to better control supply chain, quality, and cost. As with our feed, we have tried to source as many ingredients as possible from close to home. The result is that the price of our tubs is less focused on shipping freight from out of state and more focused on using quality ingredients. We have assembled a team that has decades of experience manufacturing protein supplement tubs for livestock. Our tubs are made by the same folks you know and have trusted to make your feed for years.

Our Grandma Ellora Hinton loved to feed and watch the birds. Because of this love, Hinton Mills has mixed and sold our own wild bird seed for decades. Our mix is formulated for birds that reside in our region this time of year. In the winter and early spring, natural seed sources are less plentiful. Studies show that you can help provide songbirds with a nutritional boost by supplementing their diet with a fresh, high quality wild bird seed mix. Made fresh locally and we'll carry it to your vehicle for you.

A Look Back at What the Hinton Mills Team Did in December 2023

See more pictures of what the Hinton Mills team did this past month on Facebook 

FAITH • FAMILY • FRIENDS • FARMING

We had a busy month of December full of Faith, Family, Friends & Farming...but it was also full of FUN! We decorated our locations for Christmas and let our friends on Facebook determine who was the best decorated. Over 250 of us came together as team and family for our annual Hinton Mills Christmas dinner - full of food, music, Santa, and bowling. We had a group of young friends come help mix & package our famous reindeer feed. And we joined in local Christmas parades!

December Team Awards!

Perfect team attendance at Christmas dinner: Frank L. Hinton & Son

Best participation in community Christmas parade: Maintenance Team & Fleming County Farm Supply

Best Christmas decoration as determined on Facebook: Hinton Mills Mt. Sterling, honorable mention: Jabetown Mill

Our reindeer feed has become a wild phenomenon. We gave away over 1,200 bags of free reindeer feed to patrons and friends in our communities. Here is a sample of some of the pictures submitted to us of kids (or at least mainly kids) leaving their reindeer feed for Santa on Christmas Eve! Thanks for including Hinton Mills in some of your special Christmas memories!
