A Look Back at What the Hinton Mills Team Did in June 2026

FAITH • FAMILY • FRIENDS • FARMING

We kicked off our annual summer learning series with our friend Miss Kentucky Ariana Rodriguez & the team from Kentucky Department of Agriculture for a dairy themed event where we learned to make cheese. We also teamed up with Kentucky Gateway Museum Center for another summer learning event at the museum and learned about antique tractors. Teammate Doug Reeves taught us a scripture lesson at each of these events. We're always thankful for him to help with these.

Arch Smith, Doug Reeves, Patrick Davis & Joey Conley represented HM at the Fleming County Chamber of Commerce annual golf scramble.

Team members Seaanna Skinner & Stephen Smalley attended the 97th Kentucky FFA Convention to visit with Kentucky FFA members from across the state.

MCTC's Career Craze route stop at May's Lick Mill; mixing feed with Ronald & Randy, bulk feed truck demonstration with Gary and tying a Miller's knot.

Thank you to everyone who supported the 5th annual Father's Day Weekend Antique Tractor Show at May's Lick Mill and the 2nd annual "A Weekend in May's Lick". In addition to celebrating fathers, the event was a great way to showcase the May's Lick community. The fun-filled weekend included a concert, fireworks, fun run, parade, kids pedal tractor pull, fundraisers for the local entities. (Mason Co. FFA pictured above) We had over 80 tractors attend the show this year!

We celebrated "Farm Dog Friday" each Friday as part of our annual June Dog Food Sale. Haley Marie Allen and dog (& goat), Hank and Willow, the Dotson Family and dog JR, along with Jonathan DeAtley and his dogs, May & Kingston were among the winners of the weekly social media contest. Go to Hinton Mills Facebook to check out all the awesome farm dog pictures!
