# A Look Back at What the Hinton Mills Team Did in September 2026

*See more pictures of what the Hinton Mills team did this past month on Facebook*

**FAITH • FAMILY • FRIENDS • FARMING**

We are always excited and grateful to support the next generation of farmers at our local show and sale events, like this one in Fleming County.

Our mutton bustin' chute went on the road during fair season. The most recent event was at Mason County's LIA Chuckwagon event.

Adam was the guest speaker at the Fleming County Rotary Club meeting. He spoke on the upcoming Tractor Parade and Agricultural Education Week.

Adam and Matt visited with SMS Entrepreneurship students. Students discussed what it takes to run a successful business in their version of "Shark Tank".

We are accepting deer at our Mt. Sterling and Cynthiana locations for Boone Brothers. They turn deer into jerky snacks, free for hungry local children.

Joe Fraley & Jim Brock attended the Hay Production Field Day discussing alfalfa establishment, weed control strategies, hay types & quality.

We were the guest "High Fivers" at Simons Middle School's Fist Bump Friday! It's always a great day when you get to high five with this group!

We hosted our 4th annual Team Hinton Harvest Celebration. Our Cynthiana & May's Lick locations tied for 1st place in the annual chili competition. Our inaugural Feed Mill Olympics was a hit! Matt Hinton surprised us all, placing 1st, followed by Tyler Frederick in 2nd place, and Stephen Flynn in 3rd place.

Our annual youth harvest learning event is always one of our favorite events we host! We had almost forty kids in attendance this year. Doug Reeves presented our devotional teaching us that God carves us into the people he wants us to be and helps our light to shine for others to see. Addie Hinton, along with her helper Haylee Traylor, read us a story for the day about a bumpy pumpkin. The story explained that we all look differently from each other and that no matter our differences, we are all important and loved by God. During the event we also got to take a hayride through team member Donnie Logan's farm in Plummers Landing, devoured a snack and painted pumpkins donated by our friend and Kentucky's Commissioner of Agriculture, Jonathan Shell.

## SAVE THE DATES
