A Look Back at What the Hinton Mills Team Did in August 2019

Matt Hinton attended the Kentucky Ag Development Board meeting at the Kentucky State Fair.

Hinton Mills helped sponsor the shirts given to each Simons Middle School student this year along with Sims Dairy Queen, Graham Lumber, and People's Bank.

Hinton Mills Cynthiana manager Dwight Leslie visited customers Greg and Billy Nichols to take tissue samples of their hemp crop.

Ronald Lawrence, U.S. Rep. Thomas Massey, and Adam Hinton visited at a farm meeting.

Thanks to everyone who attended our annual Pioneer Field day in Plummer's Landing, and a special thanks to Jim Tom Galbreath and Pioneer Agronomist Mindy Jones for your time & effort in making sure everyone's questions were answered.

Adam attended the quarterly meeting of the Kentucky FFA Foundation Board during the Kentucky State Fair.

Fifty Years of May's Lick Mill

We're celebrating the 50th anniversary of May's Lick Mill all year long! This month we hear from a long-time customer, the mill's current manager, and a former manager.

Gerald Woods
May's Lick Area Farmer

The mill is kind of a bright spot in May's Lick. The business that comes in here means a lot for the community. It's a gathering spot. We all meet here, we see our friends. And we're all friends with the guys who work here. The main thing that would stand out about the May's Lick mill and all the employess would be the good times we've had. I mean, just a lot of comradarie, a lot of pranks have been played on each other - just a lot of fun.

Ronald Lawrence
Current May's Lick Mill Manager

I grew up around here, and as far back as I can remember, I was coming here with my dad. I remember a fellow named Jody Conley - he looked like he was 7 feet tall - reaching down for my hand and pulling me up on the loading dock. Maurice Newman was one I remember too - he was always really good with kids and I liked to see him. Working here is about the closest thing you can do to farming - I've had an opportunity to help people over the years, and I've learned a lot as well. Plus the atmosphere you have with the Hintons. They're there for you, no matter what happens. They're good for the community, too.
