July is Hinton's HOMEGROWN FEED SALE!

Hinton Mills branded Pig, Goat, Layer, and our Freezer Beef Feed are on sale <u>all month long.</u>
Regardless of how many bags you buy, you'll receive the ton quantity discount (our best price).

Our Homegrown Feeds are designed for those of you who enjoy the benefits of growing your own farm fresh product. Our family has had a long history of raising cattle, hogs, and chickens ourselves. We take enormous pride in the fact that most of our grains are sourced locally - from an area of less than 100 miles around our mills. Whatever you're producing, when you use Hinton Mills feed, you can rest assured that you're starting with the highest quality grain as the foundation. Fresh. Local. Hinton Mills.

Hinton's Freezer Beef Mix

- Balanced ration for finishing your own homegrown beef.
- No corn gluten or any other ingredients that might alter the taste of the meat.
- Higher fiber, lower protein, balanced minerals to finish out animal.

Hinton's 14% Pig Grower

- Made with locally grown natural ingredients.
- Faster weight gain on less feed.
- Formulated for higher quality, better tasting lean meat.

Hinton's 18% Layer Feed

- Vitamin & amino acid balance for hen health & more eggs per chicken per year.
- Added probiotics to support healthy, resilient & efficient digestive system.
- Formulated with alfalfa meal for higher quality, better tasting eggs.

Hinton's 14% Goat Grower

- Made with locally grown natural ingredients.
- High performance & energy, low cost.
- Added ammonia chloride to prevent urinary calculi.

Like many families, dogs have played a big part in our family for years. We hope you'll enjoy our new "Certified Farm Dog" t-shirts as much as we do. As with many of our shirts and special projects over the years, our friend, Kentucky Artist Eden Elwell Wray helped design the custom artwork. Many colors available!

This Pioneer corn was no-till planted on May 2nd. The first picture of the fertilizer buggy in the field is June 4th. Second picture of Kevin Porter out in his 5' to 6' tall corn was on June 17th. Let's grow things together!

FAITH • FAMILY • FRIENDS • FARMING

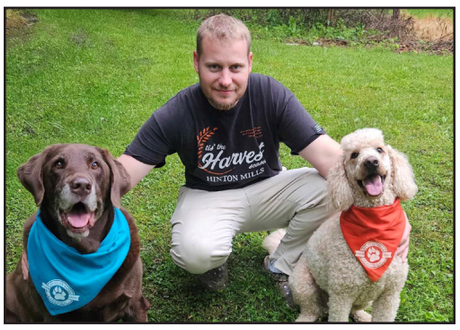
Joe, Johnna, & Seaanna visited with FFA members and friends at our booth during the 95th Kentucky FFA Convention in Lexington.

Adam presented buckles to the winners of the round robin portion of the KY Jr. Livestock Expo at MSU. Pictured is reserve champion, Mika Malone.

We were a sponsor of the Mt. Sterling – Montgomery County Chamber of Commerce breakfast and groundbreaking for the new industrial park. Lt. Governor Jacqueline Coleman was the feature guest.

The kickoff to our kids' summer learning event featured, our friend, Miss Kentucky Mallory Hudson and Miss NKU Kandice Williams as our special guests. We read from Charolette's Web, had crafts & activities related to life on the farm, and learned about pig feed. HM team member Doug Reeves led our devotional. Thanks to team member Nikki Thomas, we had a surprise appearance from "Little Nugget" the pig

The 3rd annual May's Lick Father's Day Weekend Antique Tractor Show was a blast! Chris Tolle appropriately won our inaugural Jerry Tolle Award for best in show. We raised around $1,400 to be given back to the Mason County farm community. The pedal tractor pull and our new tractor scavenger hunt were huge successes! Mason Co. Judge Exec. Owen McNeill served as the guest reader during the kids' summer learning portion of the event. Thank you for continuing to make our tractor show part of your Father's Day weekend memories!



Justin Patton and his chocolate lab, Gunner, and golden doodle, Cooper, won our team only Farm Dog Friday to kickoff the annual promotion and our June dog food sale.

Anna McCord and her dog, Cicy, were the winners from the first week of our annual Farm Dog Friday promotion which takes place every Friday in June.

Shoutout to team member Alex Myer for running our June dog food promotion and for cooking hotdogs at many of our locations this month – along with other team members and product reps.
