FAITH • FAMILY • FRIENDS • FARMING

Thanks for Coming to Our Old Time Christmas Event!

We had such a fun day during our annual "Old Time Christmas Event" in Flemingsburg! Nearly 200 children visited with Santa & Mrs. Claus and received a free bag of our famous reindeer feed. Children made ornaments, colored, and wrote letters to Santa. The live Christmas music was awesome and folks of all ages enjoyed the milk & homemade cookies! Thank you for including Hinton Mills in some of your special Christmas memories!

2023 Commemorative HM Christmas Ornaments

Only 100 made each year and all proceeds benefit the local "Shop with a Cop" program. The ornaments feature artwork depicting Hinton Mills founders Frank L. & Ellora Hinton at home on Christmas Eve 1948.

There's no place like "home" for the holidays! These limited-edition Hinton Mills Christmas Shirts were created with that in mind and will make a unique local gift this year.

Help Us Serve You Better

Special Edition Christmas Items - Limited Quantities!

We appreciate the fact that you have chosen Hinton Mills for your farm supply needs. Here are just a few things that may help you get the quickest, most efficient service.

- For feed deliveries, especially if there's a holiday that week or bad weather is in the forecast, please give us as much notice as possible.
- The minimum order for custom-mixed feed is 1,000 lbs for bag orders and 3 tons for delivered bulk orders. If you need a smaller quantity, we have a prepackaged option that will likely meet your needs. For custom mixed orders, please call the day before you plan to pick it up.
- Please help provide a safe environment for our team during bulk feed deliveries. Make sure your bin lids are working properly from the ground and check the ladders on your feed bins. We have access to parts and repair kits for bins, so check with us if you have a need.
- For deliveries made to your farm on a ton truck (bagged feed or otherwise), please provide clear and safe access to the delivery point. Access to a skid steer or tractor with pallet forks is a plus.
- We are constantly using pallets. You can return your pallets to any Hinton Mills location.
