A Look Back at What the Hinton Mills Team Did in September 2024

 See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

These children of Hinton team members gathered to learn how to make chili from Melissa Hinton so they could participate in our annual Team Hinton Harvest Event & chili cook off.

Our team took time out to help students at Simons Middle School welcome the first weekend of the school-year by participating as guest high-fivers during "High Five and Fist Bump Friday."

Adam Hinton and Joe Fraley visited with Miss Kentucky Chapel Tinius at the Kentucky Horse Park for the 37th annual Rocky Mountain Horse International, that we helped sponsor.

We helped sponsor the annual Chuck Wagon Chow Down to support the Mason County Livestock Improvement Association. A corn pit is always a hit with kids!

Adam asked the prayer at the Kentucky Chamber's Annual Meeting in Louisville. He's pictured with the evenings guest speakers, Scott Jennings and Ashley Allison.

We hosted police K-9 teams at HM Mt. Sterling for the Bluegrass K-9 Narcotics Trials. Dogs and their handlers trained and competed in drug detection and patrol scenarios.

Our team supported youth livestock show & sales throughout the region again this year.

We supported the Kentucky FFA Foundation's 8th annual Blue & Gold Gala at the Seelbach Hotel in Louisville. Over \$250,000 was netted for Kentucky FFA initiatives at the event.

OCTOBER 13

AT 2 PM

Hinton Mills' Wellness Wednesdays has been a coordination between Meadowview Regional Medical Center and Fleming County Hospital to provide free health assessments at our locations each Wednesday in September. Our final events are Oct. 2 at HM Mt. Sterling and Oct. 9 at May's Lick Mill from 7:30 AM to Noon.

Also, the Buffalo Trace District Health Department mobile unit will be at May's Lick Mill on October 11th from 9 AM to 1 PM offering FREE health screenings.

FAST TRACK | IAN LEWIS & BRYSON DICKERSON & SILVER DOLLAR BAND \$20

It's time to think about fall fertilization.

October is the month to sow wheat or other cover crops. Mixing cover crops and fertilizer is the best way to apply. In the fall, fertilizer prices are traditionally lower and the ground conditions are often more ideal for fertilizing than in the spring.

Contact your local Hinton Mills location and ask about fall fertilizer.
