FAITH • FAMILY • FRIENDS • FARMING

We had a great time during our "Jesse Hodges Memorial Countdown to Deer Season Event" at our Frank Hinton & Son location. Special thanks John Stepp and Mike Collins of Eastern Outdoors Media, Commissioner Rich and the team from Kentucky Department of Fish & Wildlife, and our guest panelists. Thanks for supporting the single-shot archery contest hosted by Fleming County High School archery.

Adam attended the annual Kentucky Farm Bureau Country Ham Breakfast with the team from the Kentucky Chamber of Commerce

We had a great day figuring out "How Did That Get In My Lunchbox?" at our August kids summer learning event. Many familiar faces from the local farmer's market assisted with the event including Alisha Gray from Good Measure Farms and Charlie & Rose Ann Masters from Masters Acres. Hinton Mills team member Doug Reeves shared the Parable of the Sower and an elementary lesson on sowing seeds. Great job Sarah McKenzie in coordinating this fun learning event!

Good luck deer hunters!
