

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. - Isaiah 40:31

A Look Back at What the Hinton Mills Team Did in February 2026

FAITH • FAMILY • FRIENDS • FARMING

Steve Richardson presented the 2026 Harrison County Agriculturalist of the Year award.

Many of our team members really tried to pamper and spoil the groundhog during our "GROUNDHOG" feed sale to coax him into changing his mind about 6 more weeks of winter weather non-sense.

Jabetown Mill team members stepped up to host the 43rd annual Seed Days kick-off event. They were eager to jump on the radio spots to tell all about the big sale, give Miss KY a tour of the mill and help each customer that came through. Thanks for all your hard work preparing for this event guys!

Fleming County FFA students hosted a farmers appreciation breakfast at Fleming County Farm Supply to kickoff FFA Week.

Adam, Matt & Addie Hinton spoke at the KOAP regional meeting, giving their perspective about the success of strategic Kentucky Ag Development Board investments in the area.

Adam visited with our friend State Senator Robin Webb during a recent trip to Frankfort.

Congratulations to our team members Justin Patton, Harrison Flora, Caroline Roush, Drew Anderson & Jeremy Wood on completing the Master Cattlemen's Class.

Plummers Landing celebrated Joe Fraley's birthday and longtime team member, Joann Shields, made him a homemade butterscotch pie.
