A Look Back at What the Hinton Mills Team Did in April 2024

 See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

We hosted the annual Strive for the Drive Youth Livestock Clinic at Morehead State University farm along with MSU and the Kentucky Department of Agriculture. Attendees from across the state learned about showing and caring for livestock.

Joe Fraley & Johnna Caudell attended the University of Kentucky College of Agriculture, Food and Environment's 54th annual 4-H/FFA Field Day at Kroger Field. 2,408 students were in attendance.

Our team supported the 2024 Morehead State University Spring Gala held to celebrate the achievements of MSU and to help raise funds for student scholarships and campus programs.

Several Hinton Team members enjoyed the evening at the 2nd annual Moonlight On Main in beautiful downtown Flemingsburg to help raise money for local scholarships.

Joe Fraley presented at the Montgomery County Cattlemen's meeting. He does a great presentation drawing on his experience raising beef cattle on his farm and formally as Farm Manager at Morehead State University.

Our team continued to stay busy farming alongside you - spreading, spraying and tending to your farms. Let's continue to grow things together in May!

Staffers from Congressman Andy Barr's Lexington and D.C. offices stopped by to discuss ag issues with our team and customers in advance of the coming farm bill.

We celebrated one of three Team Hinton member milestone birthdays in 2024 as Dexter Barnes turned 75 years old. Here is a look at how his teammates welcomed him to work.

Team member Sarah McKenzie and her husband, Noah, welcomed their third child. Oaklee Mae was born on April 1 and is destined to be a farm girl. Congratulations!

Our Frank L. Hinton & Son location in Plummers Landing saw flooding in early April. We are no strangers to flooding there or at our Cynthiaana location over the years. We found this picture of a flood at our original store building in Plummers Landing. This is the same section of road in both pictures. The current store is located directly across the street from the site of the original store.

April Team Awards!

Spring into Safety: All six locations completed 100% for a six-way tie this month.
