A Look Back at What the Hinton Mills Team Did in May 2025

See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

Our good friend, Commissioner of Agriculture Jonathan Shell, dropped off hanging flower baskets grown on his family farm. This has become part of the tradition for our annual Mother's Day Sale.

Adam was part of the team from the Fleming County Cattlemen cooking burgers at the Peoples Bank of Kentucky customer appreciation day.

Team member Gary Ray & Addie Hinton enjoyed some of the many ducks that pass through our locations (along with baby chicks, turkeys, and other animals) before they find homes on your farms.

Bud Hinton, Adam Hinton & Stephen Smalley visit with, our friend, UK Baseball Coach Nick Mingione after a recent game. Good luck to the Wildcats as they play in their 3rd straight NCAA Tournament.

Brooks Herald, the grandson of Hinton Mills Cynthiana team member Stephen Richardson, stopped by for a visit.

In May we celebrate Beef Month. "Celebrity chefs" prepared one of the Beef Month recipes from our event partners at the Kentucky Beef Council. Chefs included teams from KY Dept. of Agriculture, KY Dept. of Fish & Wildlife Resources, the KY FFA, KY 4-H, KY Jr. Cattlemen's Association, KY Chamber of Commerce, Miss Kentucky Chapel Tinius, State Rep Matt Koch, and UK Wildcat great Kenny Walker. The Fleming County & Mason County Cattlemen's Associations cooked steaks and all proceeds from the sale of their boxed lunches went to their scholarship funds. We sold over 330 steak lunches. Radio partners WFLE, WKCA, WFTM, WKYN, & WCYN broadcast the event live from our Flemingsburg location. Also, thank you to Arrick's Propane for your continued support of this great event.

Hinton Mills is proud to announce the 2025 Frank L. Hinton & Son/Hinton Mills Scholarship recipients. Despite being orphaned by the age of 9 and only having a 3rd grade education, Frank L. Hinton, went on to found Hinton Mills, serve as President of Peoples Bank, and help bring electricity to this part of Kentucky serving as Chairman of the Board of what is now Fleming-Mason Energy. He was self-taught and determined, fine tuning his spelling and vocabulary by doing crossword puzzles and reading atlases and newspapers.

In honor of Frank L. Hinton, this year's recipients are Xander Lowe, Macy Perkins, Madalynn Emmons, Ryan Hilterbrand and Daniel Manning. Each of this year's exceptional recipients are children or grandchildren of present or past Hinton Mills team members, or have been a member of our team. Congratulations to this group of great young people!
