SEPTEMBER 2025

All six Hinton Mills locations are open Mon. - Fri. 7:30-5:00, Saturday, 7:30-12:30

NEW MANAGER AT HM CYNTHIANA

Stephen Richardson will be stepping into the role of location manager at our Hinton Mills Cynthiana location following the recent retirement of Dwight Leslie.

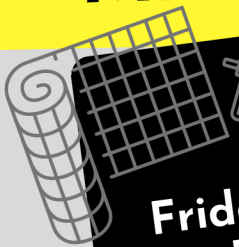

Steve said, "It is a pleasure to be selected to lead the team at Cynthiana, I have been blessed with 5 years experience in working with Dwight. He shared a great deal of knowledge with me over that time, and I am very grateful for that. I look forward to serving our community and supporting its organizations. As we move to the future our team is dedicated to continuing to provide excellent service to our customers."

Steve was raised in the Cynthiana area and ended up moving away after high school. He resided and worked as an educator in Knott County for many years - 23 of those years as an Ag teacher. Upon returning to his hometown of Cynthiana, he joined our team.

Steve says, "My favorite part of working for Team Hinton is how it has allowed me to reconnect with people from my childhood. The farmers that knew me as a kid, growing up, now rely on me to help them take care of their farming operations and I take pride in that. I want to help them be successful."

Steve farms, is a pet lover, and is an avid outdoorsman. His personal interests make him one of the go-to people at Hinton Mills for advice on pet food, as well as our Antler Builder branded products. Steve enjoys spending time with his wife Pamela, his children, and three grandchildren. Steve is a great asset to our Cynthiana location and our team as a whole!

A Look Back at What the Hinton Mills Team Did in August 2025

See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

We held our annual Jesse Hodges Memorial "Countdown to Deer Season" hands-on field day. The Daniel Boone Chapter of Whitetails Unlimited and Drop Time 3D Archery hosted a 3D shoot. KY Dept. of Fish & Wildlife's Commissioner Rich Storm and Deputy Commissioner Gabe Jenkins visited with outdoorsmen and KDFWR team cooked various wild game.

The Kentucky State Fair is a great showcase of Kentucky agriculture. We help sponsor the Championship Drive each year - a culmination of all youth livestock exhibitors. Also, congratulations to the Fleming County High School Welding Team for once again being the Kentucky FFA State Fair welding champions.

We went fishing for our final youth summer learning event of 2025. We got to share a story and talk about being "Fishers of Men." Our host, Stacey Vice, cooked fish. KDFWR Commissioner, Rich Storm, was amongst those sharing their expertise with the kids. *See details about our fall harvest youth event on front!

Team member Tim Evans visited with kids during Fleming County Public Library's Big Truck Event. He shared how the truck works, while Tom Davenport and Sarah McKenzie assisted and provided little ones with a Hinton Mills coloring and activity sheet.

Bud & Paula Hinton were some of the Hinton Mills team members who helped celebrate the 50th wedding anniversary of, retired team member, Ronnie Conley and his wife, Cathy. We appreciate their continued positive Christian example.

Adam Hinton was on hand as the Bill Gatton Foundation announced a historic \$11 million donation to Kentucky FFA - the largest gift ever made to any FFA Foundation anywhere in the US! Adam is a former Chairman for Kentucky FFA Foundation Board of Trustees.

Three Hinton Mills team members and many customers were amongst the over 200 former participants and supporters gathered to celebrate 40 years of the Philip Morris/Kentucky Agricultural Leadership Program.

Several members of our work family were amongst those gathered for a surprise party for team member Tracy McClain's 50th birthday. His cousin and coworker on the maintenance team, Gary Ray, and Tracy's family coordinated the celebration.

Adam attended the annual Kentucky Farm Bureau Country Ham Breakfast where the Grand Champion Country Ham sold for \$10 million. Part of this money will be donated to the Craft Academy at Morehead State University!

Adam was amongst the industry professionals who shared thoughts about leadership with a group of young people during the annual Kentucky Beef Council Youth Leadership Program.

Our team sponsored the meal and attended the ribbon cutting event for the Clarence W. Crabtree Agriculture Learning Center in Montgomery County. The facility will be a huge asset to one of the premier school farms in the country!

FFA officers from the Licking River Region visited our Frank L. Hinton & Son location. We discussed leadership and setting goals for the upcoming school year with students from Rowan, Mason, Menifee, and Nicholas Counties.

Meadowview Regional Medical Center is conducting Health Fairs at each of our locations.
