In Loving Memory
Charlie Spurlock

February 22, 1953 - October 21, 2017

Our good friend and long-time employee Charlie Spurlock passed away after a brief but aggressive battle with cancer. Charlie was friendly and kind. He treated everyone as if he had known them his entire life, as if you were part of his family. He was a hardworking, dependable and loyal team member.

Charlie loved his co-workers and serving his customers. Most importantly, Charlie was loved by all and will be greatly missed by our customers and the entire Hinton Mills family.
