FAITH • FAMILY • FRIENDS • FARMING • SACRIFICE • SERVICE

Faith, Family, Friends, and Farming. For the month of November we can also add the words Sacrifice and Service. These words describe Hinton Mills longtime customer, Lindsay Royse. Lindsay, who turns 95 this month, is one of our oldest customers. Lindsay grew up on the family farm near Ringos Mills, Kentucky. Lindsay's father passed away in June of 1948 when Lindsay was seventeen years old. Lindsay and his mother relied on their faith in God along with the help of family and friends to finish the crops that year. When Lindsay was 20 years old, he volunteered for the United States Air Force during the Korean War. Again, area neighbors helped harvest the crops while Lindsay went to serve his country. In April 1955, the government discharged Lindsay three months early so he could come home and plant crops for new the year. Lindsay has seen a lot of changes through the years. He began farming with horses. He bought his first tractor in 1956, a Farmall C. To this day he still has that tractor, but prefers to drive his Massey Ferguson with power steering. Lindsay has relied on Hinton Mills to provide all the necessary feed for his cattle, pigs, and chickens over the years. He's also bought plenty of fertilizer, seed, and herbicides for his crops along with fencing supplies for his pasture land. One of his annual purchases from Hinton Mills is a Bluegrass ham for Christmas dinner. He has been buying a ham every year since the 1950s. Lindsay's advice to farmers today mirrors Hinton Mills' motto: "Always work hard and do your best. Be kind and always be willing to help others."

We want to thank Lindsay and all Veterans for their sacrifice and service for our country.

"Old Time Christmas Event" at Fleming County Farm Supply
Saturday, November 29th • 8:00am 'til 12:00pm

We hope you will join us for an exciting morning of fun and Christmas festivities for the whole family. Grab the camera because Santa Claus is coming to town. Kids can enjoy coloring, milk & cookies, making their own ornaments, and a station for writing letters to Santa - while supplies last.

Shop for unique Hinton Mills Christmas items including clothing, hats, knives, as well as our annual commemorative Hinton Mills Christmas Ornament and Hinton Mills Old Time Christmas Toy. All proceeds from the sale of our ornament and toy will benefit the local "Shop with a Cop" program. Check Hinton Mills Facebook for details about this year's limited edition ornament, toy, knife, and our 2025 Hinton Mills Christmas shirts.

Don't miss your early chance to pick up a free bag of Hinton Mills Famous Reindeer Feed during the event! Our reindeer feed will be available starting December 1st at all six locations, while supplies last, through Christmas Eve. We hope feeding Santa's reindeer on Christmas Eve has become a special tradition for your family like it has for ours!

HAPPY NOVEMBER BIRTHDAYS TO THESE TEAM MEMBERS!

A Look Back at What the Hinton Mills Team Did in October 2025

FAITH • FAMILY • FRIENDS • FARMING

The start of October was a very busy time for our team and community. Fleming County Schools Agricultural Education Week events wrapped up for 2025. Joe Fraley, Gary McCord & Sarah McKenzie presented lessons to the elementary schools and middle school. The tractor parade luncheon to honor this year's parade Grand Marshal along with our local farm bureau members was a great event with over 200 people in attendance. The luncheon was followed by the 22nd Annual Fleming County FFA Tractor Parade. This was the largest parade to date with 278 entries! Folks traveled from all over the state, and even other states, to join in on this exciting event. Three of our local Kentucky Farm Bureau members set the scene. Daryl Grannis began with our parade prayer followed by Randall Wood performing "My Old Kentucky Home" on the trumpet. Wayne Grannis sang our National Anthem. Our first responders then rolled through town to start us off followed by Parade Grand Marshal, Mark Haney, who served as the longest running President of Kentucky Farm Bureau. From there the other entries followed. Elected officials, Kentucky's Commissioner Agriculture, the Kentucky State Treasurer, Kentucky's Commissioner of Fish & Wildlife, State FFA Officers, Kentucky Ag & Environment in the Classroom, local Kentucky Farm Bureau members, local businesses & organizations, farms, farmers, school organizations, students, babies & dogs; we saw them all and so many more! Folks filled the sidewalks to take in all of the antique tractors, along with the new ones, and students from across our school district lined the parade route.

Congressman Thomas Massie visited our May's Lick Mill location and caught up with Bud Hinton.

As part of our 20th Annual Feed Days event, we hosted a Multi-County Cattlemen's meeting. Cattlemen from nine different counties attended.

Freddie Anderson, Michael Davis & Steve Richardson attended Harrison County Cattlemen's Meeting.

Joe Fraley took time out to visit our customer, Stamper Farms, while set up at the Elliot County Agriculture Safety & Health Field Day.

Joe Fraley, Justin Patton and Donnie Logan attended the 3rd Annual Whitetails Unlimited Official Daniel Boone Chapter event.

Steve Richardson and Sarah McKenzie attended college and career day at Knott County Central where Steve taught Ag Education for over 20 years.
