A Look Back at What the Hinton Mills Team Did in April 2025

See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

Current class members in the Kentucky Cattlemen's Association Leadership Development Program toured our locations in Plummers Landing and Flemingsburg during their recent session in eastern Kentucky.

Jim Tom Galbreath and member of the current class of the Kentucky Agricultural Leadership Program attended a national policy seminar in Gettysburg and Washington, D.C.

Stephen Smalley visited with hundreds of high schoolers from the region who attended the Mason County Livestock Improvement Association's Agricultural Career and Exposure Day.

Our team supported the 2025 Morehead State University Spring Gala held to celebrate the achievements of MSU and to help raise funds for student scholarships and campus programs.

Several Hinton Mills team members enjoyed the evening at the 3rd annual Moonlight On Main in beautiful downtown Flemingsburg to help raise money for local scholarships.

Our friend and former UK Basketball great, Kenny Walker stopped by the Flemingsburg location to visit with our team - including Caroline and Marvin.

Joe Fraley represented our team at the Strive for the Drive West at Murray State University. He led the nutrition sessions for participating youth and helped promote our line of show feeds.

Beau Chaplin is an 11 years old 5th grader at St. Mary School. He is lambing out 45 ewes this spring and a great supporter of our Cynthiana location.

During Farm Week at his school, Zeke Jones, was all decked out in his favorite Hinton Mills apparel. Zeke is the grandson of team member Doug Reeves.

Farm goat, Dan, at Wolfenbarger Farms approves Hinton Mills hats. Our popular hats will be on sale the week of Father's Day - June 9th - 14th.
