

I sought the Lord, and he answered me
and delivered me from all my fears.
-Psalm 34:4

A Look Back at What the Hinton Mills Team Did in January 2026

f See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

Hinton Mills team members joined local community members and stepped up to the challenge of building bird houses. These bird houses will be donated to local nursing home residents for them to place in their windows. We are hopeful that getting to watch the birds will bring them joy on tough days.

Jabetown Mill manager, Sam White, has taken a liking to stepping out of the mill some and into a bulk truck delivering feed to our farmers.

Kentucky FFA state officers visited our Hinton Mills Mt. Sterling location to begin their industry tours this month. Super impressive group!

Michael Davis and the rest of our Crop Services Team are tuning up their gear in anticipation of a busy season serving our farmers

Jim Tom Galbreath & Seaanna Skinner attended Farm Inc. in Harrison County where students got a glimpse of what it would be like to own a farm.

Kenny The-Bearded stopped at Plummers Landing Mill for feed and Gage snapped a picture. Kenny appears in the movie "Green and Gold" on Angel.

FUN FACT: between five locations, our team filled 8,829 gallons of propane for our communities in the six days leading up to Storm Fern!

SAVE THE DATES

March 13th & 14th • Chick Days (live chicks at Flemingsburg, Mt. Sterling & Cynthiana)

March 23rd - 28th • Cattle Health Days Sale (all six locations)

March 23rd • Multi-County Cattleman's Meeting (May's Lick Volunteer Fire Department)
