Follow us on Facebook for exclusive deals, news & giveaways!

All five Hinton Mills locations are open Mon. – Fri. 7:30-5:00, Saturday, 7:30-12:30

We appreciate your business! Get the fastest, most efficient service by:

- Calling in your feed order the day before - custom-mixed feed orders will be ready by noon the day after you call them in.
- Call ahead for curbside service - we will try our best to have your order ready to load when you arrive!

COVID Curbside Response: Continuing to Adapt

We have recently installed walk-up windows at each of our five locations to help facilitate customer service during COVID-19 restrictions.

It's been a long nine months since the COVID-19 pandemic started, and we are working every day to make things as smooth as possible when it comes to getting the farm supplies you need.

Our most recent adjustment has been the addition of new walk-up windows at all five Hinton Mills locations. Now, when you arrive for curbside service, you have two options:

- * walk up to the service window (if it's not occupied), or
- * stay in your vehicle and call.

As always, calling before you arrive makes your service even faster. If you call before you come, we will try our best to have your order ready to load when you arrive.

As an essential industry, we have continued to remain open 6 days a week. We believe moving to curbside service, the hard work of our team, and the grace of God are the reasons we have had no cases of Covid amongst our employees thus far.

We manufacture many of the products we sell, and although all of our locations sell similar products, they each play a different role in our manufacturing and logistics. For example, Jabetown Mill is the only location that produces medicated feed. So even if one location had to close due to quarantine, it would impact our customers at other locations. That is why we remain with curbside service. Other local small businesses have had to close locations for as long as two weeks. We believe curbside service is our best bet of preventing that.

Our team has adapted very well to the unusual circumstances and is doing a tremendous job of serving our customers. If there is anything specific we can do to better serve you through curbside service or delivery, please let us know and we will make our best effort to continue to improve.

None of us could have anticipated how different this year would be from our previous 101 years of conducting business. Thanks for your continued patience and support during this unprecedented time. We very much look forward to getting back to normal in the coming months.

Holiday Hours

Thursday, Dec. 24th - closing at 2 p.m.

Friday, Dec. 25th - closed

Saturday, Dec. 26th - closed

Monday, Dec 28th - normal hours

Closed New Year's Day

Please give us extra notice for feed deliveries near the holidays. We want to be sure everyone is served!
