FAITH • FAMILY • FRIENDS • FARMING

Several of our team and their families took time out to participate in community parades celebrating Independence Day!

We held our first Team Hinton "Summer Family Picnic" at the May's Lick Mill farm. Team members from all six locations and their families gathered for a great meal followed by fishing, cornhole, volleyball, and a whiffleball game like no other. The team fishing champions were the Frank Hinton & Son location and the individual champion team member was Dougie Maggard from Hinton Mills Cynthiana.

Our teams stepped up their American pride and patriotism and made unique displays leading into July 4th.

We held our July kids summer learning series event at May's Lick Mill. KY Commissioner of Agriculture Ryan Quarles was our guest reader. The Kentucky Ag in the Classroom team helped lead crafts & activities.

The kids got a lesson about livestock feed ingredients from our team, took a hayride on the farm, and stopped by to visit a baby calf.

Stay tuned on Facebook as we announce details for future youth summer ag learning events!
