A Look Back at What the Hinton Mills Team Did in May 2024

FAITH • FAMILY • FRIENDS • FARMING

Our good friend, Commissioner of Agriculture Jonathan Shell, dropped off hanging flower baskets grown on his family farm. This has become part of the tradition for our annual Mother's Day Sale.

In May we celebrate Beef Month. "Celebrity chefs" prepared one of the Beef Month recipes from our event partners at the Kentucky Beef Council. Chefs included teams from Kentucky Dept. of Agriculture, Kentucky Dept. of Fish & Wildlife Resources, the Kentucky Retail Federation, and Kentucky Chamber of Commerce. The Fleming County Cattlemen's Association cooked steaks and all proceeds from the sale of their boxed lunches went to their scholarship fund. Radio partners WFLE, WKCA, WFTM, and WKYN broadcast the event live from our Flemingsburg location. Among the many special guests who stopped by was our longtime friend and former UK Basketball great, Kenny Walker.

Adam was part of the team from the Fleming County Cattlemen cooking burgers at the Peoples Bank of Kentucky customer appreciation day. Matt showed Adam that he too knew a few things about being on the radio.

Adam visited with this year's Hinton Mills scholarship recipients. These were awarded based on leadership, character, and integrity.

Hinton team member Doug Reeves visits Hillsboro and Flemingsburg Elementary Schools each week to have lunch and share life lessons with a group of boys. The boys from HES surprised Pastor Doug at Muses Mills Christian Church one recent Sunday.

Congrats to team member Ryan Hilterbrand on qualifying for the KHSAA State Championship for the second year in a row. Ryan competes on the Fleming County High School Bass Fishing Team.

Adam and his friends Coty Back and Rich Storm took time out to share in fellowship and go turkey hunting last month. Coty is a former National FFA officer and Rich is Kentucky Commissioner of Fish & Wildlife Resources.
