*Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.
- Galatians 6:9*

November is one of our favorite months! During this month we elect the leaders of country, commonwealth, and communities. We also celebrate Veteran's Day, Thanksgiving, and harvest. For our customers who farm, harvest is a busy but welcome time of year when you start to see the long-anticipated fruits of your labor. For our team, harvest time is usually a reminder that customer demand for feed will increase over the upcoming colder months. That means it's a busy season at Hinton Mills with more feed production in our mills and more deliveries to the farm families we serve.

Above all, harvest reminds us of how thankful we are that our customers value the quality products, services, and advice we provide, and that we have an amazing team who helps meet these needs! We are thankful to work in agriculture and live in a country where so many have fought for our continued freedoms. Today and each day throughout our 106 years in business, we have remained thankful to celebrate Faith, Family, Friends, and Farming. During this season of harvest and thanksgiving, we don't want to miss the opportunity to say "THANK YOU" for helping allow us to do so!

-Hinton Family

Jack Hinton (5th generation) helping to harvest corn at Plummers Landing

Harvest is a time for closure on one crop, but it's also a key time to prepare for success in the field for the following year's crop.

Here are four of our favorite timely tips:

1. A cover crop of any variety reduces soil nutrient loss and adds organic matter. See us for low cost cleaned cover crop wheat.
2. Save on your 2025 corn and soybeans by taking advantage of the early pay discounts that are now available. See stores for details.
3. Scout your harvested fields for problematic weeds to appropriately plan for next year.
4. Bring us your soil test samples. We will send them off to get your results and formulate recommendations to help you plan for proper levels of fertilizer for the coming season.

4th Annual Team Hinton *No Shave* November!

We challenge YOU to join many of our team members in taking a break from our razors this month to promote cancer awareness.

Last year, through the sales of our No Shave November themed apparel, we were able to raise \$1,000 for local cancer charities. Thanks to matching donations from Peoples Bank of Kentucky and other friends of the event, we were able to donate \$3,000 in total to Cancer Care Club of Flemingsburg. This year we have additional sponsors on board allowing us to multiply the money we raise, with your help, even more!

T-shirts are \$18 and come in sizes Adult S-4XL.
Hoodies are \$28 and come in sizes Adult S-3XL.
Hats are \$15 and come in sizes Flexfit S/M or L/XL.

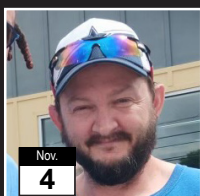

Stop in, call, or message on Facebook Messenger to order a t-shirt, hoodie, or hat. **Order by November 15!**

HAPPY NOVEMBER BIRTHDAYS TO THESE HINTON MILLS TEAM MEMBERS!

A Look Back at What the Hinton Mills Team Did in October 2024

See more pictures of what the Hinton Mills team did this past month on Facebook

FAITH • FAMILY • FRIENDS • FARMING

Over 200 guests attended the luncheon we hosted at our Flemingsburg location prior to the 21st annual Fleming County FFA Tractor Parade to honor the parade's Honorary Grand Marshal, U.S. Senator Mitch McConnell. On point with the parade's "Serving Kentucky" theme, Miss Kentucky 2024 Chapel Tinius performed "My Old Kentucky Home" and Kentucky's Commissioner of Agriculture, Jonathan Shell, spoke at the event. Senator McConnell visited with attendees and later helped kickoff the parade and even joined in on the radio broadcast. 249 entries were in this year's parade. Next year's parade and Feed Days kickoff is set for October 3rd.

We had a beautiful evening for the 2nd annual Team Hinton Harvest Celebration in Plummers Landing. Many of our team and loved ones gathered for an evening to eat, decorate pumpkins, enjoy a hayride, and listen to music. We had our team chili cook off - won by the "employee kids" team. Most importantly, we took a moment to relax, enjoy each other's company and celebrate the harvest season as we kicked off our annual Feed Days sale the same day.

Alex hosted a visitor at our HM Mt. Sterling location - just a typical day during our 19th annual Feed Days Sale.

Cattlemen from 12 counties attended our annual fall regional Cattlemen's meeting in Flemingsburg. Congressman Andy Barr, State Senator Steve West, and State Rep. Matt Koch, as well as representatives from the Kentucky Cattlemen's Association and Kentucky Farm Bureau all brought updates from the federal and state level. Dr. Phil Prater and Dr. Frankie Vice led our "ask the vet" discussion.

Fun times at our Fall Harvest Youth Learning Event. Thank you to our amazing host - The Patch at McKenzie Farms in Hillsboro. Kids learned about pumpkins from our amazing special guest reader, Commissioner of Agriculture, Jonathan Shell. Doug Reeves led our wonderful scripture lesson. Our many friends painted pumpkins, colored, took a hayride and enjoyed "The Patch."
