Tractors will unload at the end of Plummers Landing Road near the trailer parking lot.
Then tractors will drive approximately 1/2 mile (on blacktop) to the exhibition area.
Anyone who wishes to offload closer to the exhibition area must be completely finished unloading
and be out of the area before 6:30 a.m.

Because of multiple events happening in the area, we ask that you are on site and
set up by 9 a.m. and not leave until after the tractor parade.

If you have any questions, please contact Gayle McCord, Let's Cruise Entertainment (606) 748-5253.
